

## Educational Technology: Question Bank

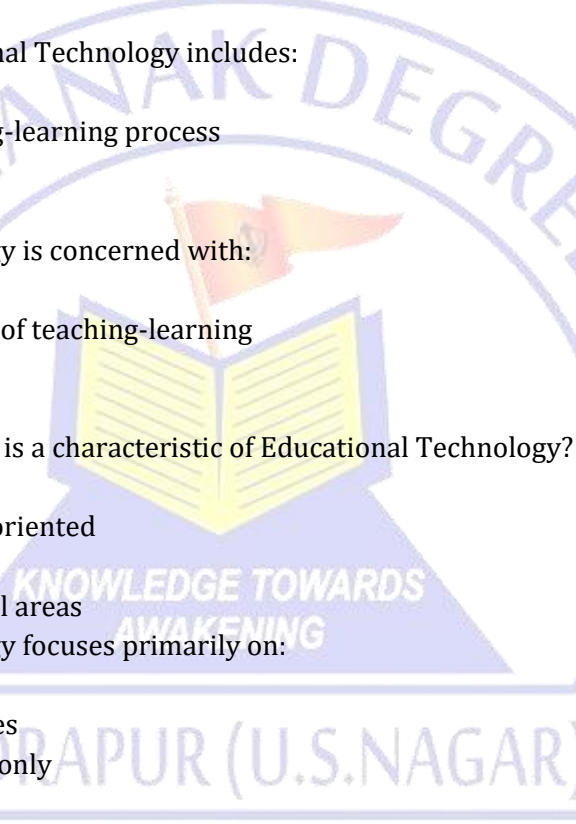

### Multiple Choice Questions (MCQs)

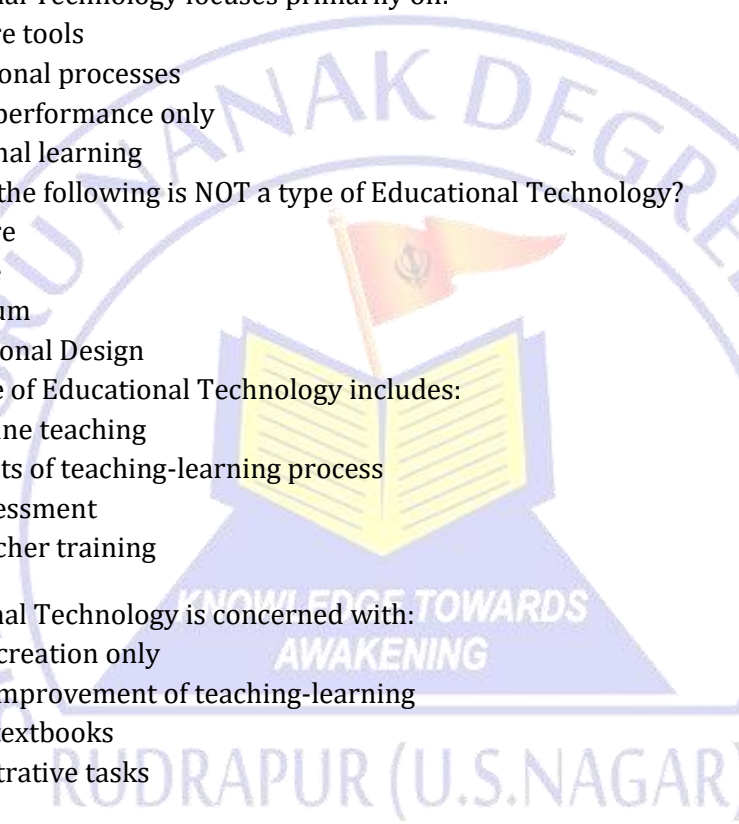

1. Educational Technology focuses primarily on:
    - A. Hardware tools
    - B. Instructional processes
    - C. Student performance only
    - D. Traditional learning
  2. Which of the following is NOT a type of Educational Technology?
    - A. Hardware
    - B. Software
    - C. Curriculum
    - D. Instructional Design
  3. The scope of Educational Technology includes:
    - A. Only online teaching
    - B. All aspects of teaching-learning process
    - C. Only assessment
    - D. Only teacher training
  4. Educational Technology is concerned with:
    - A. Content creation only
    - B. Overall improvement of teaching-learning
    - C. Writing textbooks
    - D. Administrative tasks
  5. Which of the following is a characteristic of Educational Technology?
    - A. Theoretical only
    - B. Practical application oriented
    - C. Used only by teachers
    - D. Not applicable in rural areas
  6. Educational Technology focuses primarily on:
    - A. Hardware tools
    - B. Instructional processes
    - C. Student performance only
    - D. Traditional learning
  7. Which of the following is NOT a type of Educational Technology?
    - A. Hardware
    - B. Software
    - C. Curriculum
    - D. Instructional Design
  8. The scope of Educational Technology includes:
    - A. Only online teaching
    - B. All aspects of teaching-learning process
- 

- C. Only assessment
  - D. Only teacher training
9. Educational Technology is concerned with:
- A. Content creation only
  - B. Overall improvement of teaching-learning
  - C. Writing textbooks
  - D. Administrative tasks
10. Which of the following is a characteristic of Educational Technology?
- A. Theoretical only
  - B. Practical application oriented
  - C. Used only by teachers
  - D. Not applicable in rural areas
11. Educational Technology focuses primarily on:
- A. Hardware tools
  - B. Instructional processes
  - C. Student performance only
  - D. Traditional learning
12. Which of the following is NOT a type of Educational Technology?
- A. Hardware
  - B. Software
  - C. Curriculum
  - D. Instructional Design
13. The scope of Educational Technology includes:
- A. Only online teaching
  - B. All aspects of teaching-learning process
  - C. Only assessment
  - D. Only teacher training
14. Educational Technology is concerned with:
- A. Content creation only
  - B. Overall improvement of teaching-learning
  - C. Writing textbooks
  - D. Administrative tasks
15. Which of the following is a characteristic of Educational Technology?
- A. Theoretical only
  - B. Practical application oriented
  - C. Used only by teachers
  - D. Not applicable in rural areas
16. Educational Technology focuses primarily on:
- A. Hardware tools
  - B. Instructional processes
  - C. Student performance only
  - D. Traditional learning

17. Which of the following is NOT a type of Educational Technology?
- A. Hardware
  - B. Software
  - C. Curriculum
  - D. Instructional Design
18. The scope of Educational Technology includes:
- A. Only online teaching
  - B. All aspects of teaching-learning process
  - C. Only assessment
  - D. Only teacher training
19. Educational Technology is concerned with:
- A. Content creation only
  - B. Overall improvement of teaching-learning
  - C. Writing textbooks
  - D. Administrative tasks
20. Which of the following is a characteristic of Educational Technology?
- A. Theoretical only
  - B. Practical application oriented
  - C. Used only by teachers
  - D. Not applicable in rural areas
21. Educational Technology focuses primarily on:
- A. Hardware tools
  - B. Instructional processes
  - C. Student performance only
  - D. Traditional learning
22. Which of the following is NOT a type of Educational Technology?
- A. Hardware
  - B. Software
  - C. Curriculum
  - D. Instructional Design
23. The scope of Educational Technology includes:
- A. Only online teaching
  - B. All aspects of teaching-learning process
  - C. Only assessment
  - D. Only teacher training
24. Educational Technology is concerned with:
- A. Content creation only
  - B. Overall improvement of teaching-learning
  - C. Writing textbooks
  - D. Administrative tasks
25. Which of the following is a characteristic of Educational Technology?
- A. Theoretical only
  - B. Practical application oriented

- C. Used only by teachers  
D. Not applicable in rural areas
26. Educational Technology focuses primarily on:  
A. Hardware tools  
B. Instructional processes  
C. Student performance only  
D. Traditional learning
27. Which of the following is NOT a type of Educational Technology?  
A. Hardware  
B. Software  
C. Curriculum  
D. Instructional Design
28. The scope of Educational Technology includes:  
A. Only online teaching  
B. All aspects of teaching-learning process  
C. Only assessment  
D. Only teacher training
29. Educational Technology is concerned with:  
A. Content creation only  
B. Overall improvement of teaching-learning  
C. Writing textbooks  
D. Administrative tasks
30. Which of the following is a characteristic of Educational Technology?  
A. Theoretical only  
B. Practical application oriented  
C. Used only by teachers  
D. Not applicable in rural areas
31. Educational Technology focuses primarily on:  
A. Hardware tools  
B. Instructional processes  
C. Student performance only  
D. Traditional learning
32. Which of the following is NOT a type of Educational Technology?  
A. Hardware  
B. Software  
C. Curriculum  
D. Instructional Design
33. The scope of Educational Technology includes:  
A. Only online teaching  
B. All aspects of teaching-learning process  
C. Only assessment  
D. Only teacher training
- 

34. Educational Technology is concerned with:
- A. Content creation only
  - B. Overall improvement of teaching-learning
  - C. Writing textbooks
  - D. Administrative tasks
35. Which of the following is a characteristic of Educational Technology?
- A. Theoretical only
  - B. Practical application oriented
  - C. Used only by teachers
  - D. Not applicable in rural areas
36. Educational Technology focuses primarily on:
- A. Hardware tools
  - B. Instructional processes
  - C. Student performance only
  - D. Traditional learning
37. Which of the following is NOT a type of Educational Technology?
- A. Hardware
  - B. Software
  - C. Curriculum
  - D. Instructional Design
38. The scope of Educational Technology includes:
- A. Only online teaching
  - B. All aspects of teaching-learning process
  - C. Only assessment
  - D. Only teacher training
39. Educational Technology is concerned with:
- A. Content creation only
  - B. Overall improvement of teaching-learning
  - C. Writing textbooks
  - D. Administrative tasks
40. Which of the following is a characteristic of Educational Technology?
- A. Theoretical only
  - B. Practical application oriented
  - C. Used only by teachers
  - D. Not applicable in rural areas
41. Educational Technology focuses primarily on:
- A. Hardware tools
  - B. Instructional processes
  - C. Student performance only
  - D. Traditional learning
42. Which of the following is NOT a type of Educational Technology?
- A. Hardware
- 

- B. Software
  - C. Curriculum
  - D. Instructional Design
43. The scope of Educational Technology includes:
- A. Only online teaching
  - B. All aspects of teaching-learning process
  - C. Only assessment
  - D. Only teacher training
44. Educational Technology is concerned with:
- A. Content creation only
  - B. Overall improvement of teaching-learning
  - C. Writing textbooks
  - D. Administrative tasks
45. Which of the following is a characteristic of Educational Technology?
- A. Theoretical only
  - B. Practical application oriented
  - C. Used only by teachers
  - D. Not applicable in rural areas
46. Educational Technology focuses primarily on:
- A. Hardware tools
  - B. Instructional processes
  - C. Student performance only
  - D. Traditional learning
47. Which of the following is NOT a type of Educational Technology?
- A. Hardware
  - B. Software
  - C. Curriculum
  - D. Instructional Design
48. The scope of Educational Technology includes:
- A. Only online teaching
  - B. All aspects of teaching-learning process
  - C. Only assessment
  - D. Only teacher training
49. Educational Technology is concerned with:
- A. Content creation only
  - B. Overall improvement of teaching-learning
  - C. Writing textbooks
  - D. Administrative tasks
50. Which of the following is a characteristic of Educational Technology?
- A. Theoretical only
  - B. Practical application oriented
  - C. Used only by teachers
  - D. Not applicable in rural areas

### Short Answer Type Questions

1. Define Educational Technology.
2. State any two characteristics of Educational Technology.
3. What are the types of Educational Technology?
4. Write two objectives of using technology in education.
5. Explain the meaning of mass media.
6. Mention two types of mass media.
7. How is digital media used in teaching?
8. What are Open Educational Resources?
9. Write two roles of a teacher in using mass media.
10. What is ICT?
11. Define Educational Technology.
12. State any two characteristics of Educational Technology.
13. What are the types of Educational Technology?
14. Write two objectives of using technology in education.
15. Explain the meaning of mass media.
16. Mention two types of mass media.
17. How is digital media used in teaching?
18. What are Open Educational Resources?
19. Write two roles of a teacher in using mass media.
20. What is ICT?
21. Define Educational Technology.
22. State any two characteristics of Educational Technology.
23. What are the types of Educational Technology?
24. Write two objectives of using technology in education.
25. Explain the meaning of mass media.
26. Mention two types of mass media.
27. How is digital media used in teaching?
28. What are Open Educational Resources?
29. Write two roles of a teacher in using mass media.
30. What is ICT?
31. Define Educational Technology.
32. State any two characteristics of Educational Technology.
33. What are the types of Educational Technology?
34. Write two objectives of using technology in education.
35. Explain the meaning of mass media.
36. Mention two types of mass media.
37. How is digital media used in teaching?
38. What are Open Educational Resources?
39. Write two roles of a teacher in using mass media.
40. What is ICT?
41. Define Educational Technology.
42. State any two characteristics of Educational Technology.

43. What are the types of Educational Technology?
44. Write two objectives of using technology in education.
45. Explain the meaning of mass media.
46. Mention two types of mass media.
47. How is digital media used in teaching?
48. What are Open Educational Resources?
49. Write two roles of a teacher in using mass media.
50. What is ICT?

### Long Answer Type Questions

1. Discuss the nature and scope of Educational Technology.
2. Explain the specific objectives of Educational Technology.
3. Describe the characteristics of Educational Technology.
4. Differentiate between hardware and software as educational technology tools.
5. Explain the types of Educational Technology with examples.
6. Discuss the role of mass media in teaching-learning.
7. Explain how traditional and digital media are used in education.
8. Describe the limitations of using mass media in classrooms.
9. Explain the teacher's role in integrating mass media in lessons.
10. Discuss the concept and uses of Open Educational Resources (OER).
11. Discuss the nature and scope of Educational Technology.
12. Explain the specific objectives of Educational Technology.
13. Describe the characteristics of Educational Technology.
14. Differentiate between hardware and software as educational technology tools.
15. Explain the types of Educational Technology with examples.
16. Discuss the role of mass media in teaching-learning.
17. Explain how traditional and digital media are used in education.
18. Describe the limitations of using mass media in classrooms.
19. Explain the teacher's role in integrating mass media in lessons.
20. Discuss the concept and uses of Open Educational Resources (OER).
21. Discuss the nature and scope of Educational Technology.
22. Explain the specific objectives of Educational Technology.
23. Describe the characteristics of Educational Technology.
24. Differentiate between hardware and software as educational technology tools.
25. Explain the types of Educational Technology with examples.
26. Discuss the role of mass media in teaching-learning.
27. Explain how traditional and digital media are used in education.
28. Describe the limitations of using mass media in classrooms.
29. Explain the teacher's role in integrating mass media in lessons.
30. Discuss the concept and uses of Open Educational Resources (OER).
31. Discuss the nature and scope of Educational Technology.
32. Explain the specific objectives of Educational Technology.
33. Describe the characteristics of Educational Technology.

34. Differentiate between hardware and software as educational technology tools.
35. Explain the types of Educational Technology with examples.
36. Discuss the role of mass media in teaching-learning.
37. Explain how traditional and digital media are used in education.
38. Describe the limitations of using mass media in classrooms.
39. Explain the teacher's role in integrating mass media in lessons.
40. Discuss the concept and uses of Open Educational Resources (OER).
41. Discuss the nature and scope of Educational Technology.
42. Explain the specific objectives of Educational Technology.
43. Describe the characteristics of Educational Technology.
44. Differentiate between hardware and software as educational technology tools.
45. Explain the types of Educational Technology with examples.
46. Discuss the role of mass media in teaching-learning.
47. Explain how traditional and digital media are used in education.
48. Describe the limitations of using mass media in classrooms.
49. Explain the teacher's role in integrating mass media in lessons.
50. Discuss the concept and uses of Open Educational Resources (OER).
